

ESTATE GROWN

2019 PINOT GRIS

North meets south in this ripe and bright 50/50 blend. First, the South Okanagan Valley's arid, desert-like landscapes deliver grapes with rich, round, generous flavours. In contrast, the North Okanagan's cooler temperatures and high elevation yield fresh and bright notes of green apple with a delicate balance of acidity. The finished blend of these two contrasting regions celebrates the uniqueness of both places. As you sip, you'll experience the taste of the entire Okanagan Valley coming to life.

2019 was up until September, near picture perfect. Warm days, but not too warm, cool nights, but not too cool, set the ripening process on a trajectory of ideal balance. With September came cool weather and some rainfall, but with careful attention to sorting and managing harvest dates, we feel our hard work paid off with wines of ideal balance and intense fruit character. In particular, the lively acidities have produced wines which are bright and fresh.

TASTING NOTES

Rich flavours of orchard fruit, lots of pear and green apple. A hint of spice, with a round finish.
