

PLATINUM  
2021  
HAYNES CREEK  
VIOGNIER

Viognier, our sun-loving grape, needs more heat than any other white grape to fully ripen. Our Haynes Creek Vineyard at the base of Anarchist Mountain east of Osoyoos Lake is one of the hottest vineyards in the Okanagan. Picked weeks later than any other white grape to capture rich, concentrated aromas, our winemaker hand selects oak vessels to build texture and richness.

THE VINTAGE

An extremely dry, warm start to the year with a cool and wet spell in early June. Unprecedented midsummer heat leading to the earliest start of harvest on record and the highest number of growing degree days on record.

TASTING NOTES

*Apricot and peach blossom combine with a toasty character leading to a palate that is big and round with exciting freshness.*
