

PLATINUM  
2020  
DEHART  
PINOT NOIR

Our DeHart vineyard, located in east Kelowna, is tucked away from the Okanagan Lake, making it one of our cooler sites – ideal for growing Pinot Noir. The vineyard slopes perfectly west, allowing the vines to be drenched in the early morning sun. Fermented with wild yeast and aged in French oak for 10 months, yielding a plush and structured wine that displays a remarkable purity of fruit.

THE VINTAGE

Average Okanagan spring temperatures began the 2020 growing season with periods unusually cold and wet weather. Colder periods progressed into the early spring contributing to a marginal fruit set, but as the season progressed into the summer months we regained our highly celebrated Okanagan conditions. The dry, warm and hot summer produced good growth permitting all varieties to ripen with excellent balance and incredible flavor intensity.

TASTING NOTES

*Orange zest, cherries, red currants, struck match - incredible complexity and a taught palate.*

HARVEST DATE	September 29th
