

PLATINUM

2021

SIMES VINEYARD ROSÉ

This Rosé is made from 100% organically grown Pinot Noir from our Simes Vineyard in south Kelowna. The unique and heavily sloped, north facing aspect of this vineyard yields smaller grapes of remarkable freshness and vibrancy. The wine is fermented in a combination of oak and concrete with wild yeasts, highlighting the brightness and freshness of this Rosé.

THE VINTAGE

An extremely dry, warm start to the year with a cool and wet spell in early June. Unprecedented midsummer heat leading to the earliest start of harvest on record and the highest number of growing degree days on record.

TASTING NOTES

Stone fruit, strawberries, flowers, and rocks on the nose. All flavours are also present on palate, but this wine is about the texture and weight for how dry it is. Incredible balance.

HARVEST DATE	September 5-14		
BLEND	100% Pinot Noir		
FERMENTATION	Wild yeast fermentation in 35% concrete egg and 65% neutral French oak barrels		
AGING	Lees for 4 months post-ferment
